Parents,

These supplies will need to be sent to school on the **FIRST** day. We will be asking for \$5 from each parent to purchase a storage container for each child's supplies so that they can be kept separate for personal use. *The 4th grade teachers will collect the \$5 the 1st day of school and purchase all of the containers so they can be the same.* The consumable supplies will need to be purchased again in January after the holiday. The * denotes everything that is considered consumable.

Thank you!
